

Dear Community Member,

Fremont Youth Soccer League (FYSL) is a 501c (3) non-profit organization serving approximately 3000 boys and girls in the Alameda County area. FYSL is governed by a volunteer Board of Directors that is supported by full time staff and over 40 volunteer committee members. The Club provides a group of professional staff who train players in technical & tactical aspects of the game as well as strength & speed training.

Last year, FYSL rostered approximately 40 competitive teams in age groups from 8 to 18 years old. The goal of the FYSL is for every child to experience the sport of soccer in a positive and supportive environment at the level of play they enjoy.

The main source of Club revenue is through player fees. In order to keep player fees as low as possible, the Club supplements player fee revenue with tournament proceeds, fundraising activities and community sponsorships. The Club has consistently maintained a top-notch program with player fees significantly lower than they would otherwise be because of a high level of business and community support.

Please consider providing our Club with tax-deductible financial sponsorship this year. Your support is very much appreciated and will allow us to continue to provide a superior soccer program to our children.
