FYSL Financial Aid Awards Information

FYSL Financial Aid Awards

We intend to provide an environment in which players, parents, and coaches are proud to be associated with our organization regardless of financial ability. We have created the FYSL Financial Aid Foundation to aid in addressing the financial needs of our players.

Subject to the availability of funds, FYSL shall offer financial aid for soccer related costs to those members that demonstrate a need or financial hardship. The decision to make any award, the amount thereof, and the beneficiaries shall be made on a defined set of decision factors which are consistently applied under the circumstances. Notwithstanding the forgoing, all award decisions are made at the sole discretion of the FYSL Financial Aid Committee. The application information will be kept confidential within the FYSL Financial Aid Committee.

Applications – Completed applications for financial aid shall be sent to: FYSL, Executive Director, 44100 Old Warm Springs Blvd, Fremont, CA 94538 or emailed to execdir@fcfremont.com, or faxed to (510) 353-1871. Incomplete applications may result in disqualification for aid. Award decisions will be made as follow:

July 7 th	July 17 th	Annual or Fall
August 21 st	August 31 st	Annual or Fall
September 15 th	September 25 th	Annual or Fall
January 2 nd	January 10 th	Spring
March 20 th	March 28 th	Spring

Applications received by the July or August deadline may request consideration for an award for both the fall and spring seasons or the fall season only. Applications received by the early deadline each season (July and January) may receive preferential consideration based on the availability of aid funds.

Eligibility – Any FYSL member (house, academy, comp) that meets the qualification requirements is eligible to apply for financial aid. Qualification is primarily based on family income. In general, those with annual family income that does not exceed 60% of the median family income in Alameda County are eligible for aid. In 2008, the eligibility threshold is annual family income not exceeding \$68,625. Other factors such as unemployment or other financial hardships may be considered by the Financial Aid Committee.

Eligibility Requirements – Each player receiving financial aid must meet and adhere to all guidelines set forth in the player commitment document and demonstrates dedication through consistent attendance at team practices and games. Also, it is the responsibility of each family receiving financial aid to reciprocate through active participation in the club and its team activities, including the mandatory ten (10) volunteer hours. Failure to adhere to these guidelines can result in the forfeiture of the financial aid award.

Documentation Required - Complete copies of most recent year federal income tax returns along with W-2's for all employed family members. Copies of most recent payroll stubs for all employed family members, which reflect year-to-date earnings. Copies of any court orders (i.e. divorce papers) regarding financial responsibility and / or support for the player.

Amount of Aid Award – The Board and Executive Director shall determine the amount of the financial aid available for a season; however, there is no obligation to award all/any of the award pool. Based on the amount of the award pool and the amount of requests for financial aid, awards will be made on a sliding scale based on reported family income. The maximum amount of an award to an individual for a season shall not exceed (a) 100% of the registration fee paid for a House, Academy, (\$115 max per season) (b) 300% of the membership fee for a comp player (\$445 max per season). Annual awards shall not exceed double the seasonal limits noted above.

Application Process - Applications for financial aid are available online and must be completed and returned to FYSL. Applicants must register the player in the FYSL registration system each season on a timely basis. Applications will be evaluated by the Executive Director, House Director, and Travel Director (the “Financial Aid Committee”). The Executive Director will deny or approve all Financial Aid awards. Notification of aid awards shall be sent via email to each applicant. For comp players, their team manager may be notified via email to coordinate payment of the aid award if registration fees have been paid previously.

Annual awards will be paid in equal amounts at the beginning of each season subject to applicant's re-registration and confirmation of continuing need in the spring season. All FYSL registration fees must be paid in full (by aid award or otherwise) on a timely basis for the player to be eligible to play for or train with their FYSL team.

Other Opportunities – FYSL has a limited number of compensated positions (e.g., referees, field set up, camp assistants, etc.) and volunteer positions (e.g., Age Group Coordinators, tournament volunteers, etc.) which offer individuals an opportunity to cover registration costs or to give back to FYSL. Please contact the Executive Director for more information in this regard.
