

Dear Sponsor,

Thank you for your interest and supporting youth soccer.

Fremont Youth Soccer League is a non-profit 501(C)-(3) organization, providing a competitive and recreation soccer program for over 3000 soccer players between the ages of 4 and 19. We are a USYSA approved Club and a CYSA affiliate competing in Northern California's District 3. We are also a member of US Club. In addition, our teams compete in Showcase tournaments throughout California as well as nationally, including Nomads, Dallas Cup and many more. The Club is located in the City of Fremont and recruits players from the surrounding areas.

This sponsorship program gives businesses the chance to market to a large, active population and assist our club in financially supporting these projects. There are many different areas in which sponsors can market their business. These include the club teams, special events, the facility and tournaments. Please consider providing our Club with tax-deductible financial sponsorship this year. Your support is very much appreciated and will allow us to continue to provide a superior soccer program to our children.

Fremont Youth Soccer League is dedicated to being a Premier Soccer organization through the achievement of excellence brought about by the development of every player and team to its maximum potential. The vision of the Fremont Youth Soccer League is to provide a positive environment for the development of our youth, building soccer skills and ability, character, self-esteem, confidence and love of the game.

Please reference the Club website at [www.fysl.org](http://www.fysl.org) for additional information regarding this premier Club.

Donations to the Fremont Youth Soccer League are tax deductible.

Yours in soccer,

Andrew Donnery
