COMP UNIFORM ORDER POLICY

In order to make the uniform order process as easy as possible we would like to do the following.

Numbering

8 v 8 Teams - Black team or “A” team will be numbered 1-14 and the White Team “B” Team will be numbered 15-28 (if the A team or B team takes players from the other team to a tournament it will be easier to switch). Red Team “C” Team (if applicable) will be numbered 29 – 42.

11 v 11 Teams - Black team or “A” team will be numbered 1-18 and the White Team “B” Team will be numbered 19-36 (if the A team or B team takes players from the other team to a tournament it will be easier to switch). Red Team “C” Team (if applicable) will be numbered 37 – 54.

Ordering

Please complete the attached team order spreadsheet with the sizes connected to the numbers and names.

Uniform Colors

The boy’s teams will wear all black home and all white away (they will be allowed to mix in the season if they desire). The girls will wear all black home and for away games they will wear white jerseys but will have the option of having black shorts with matching black or white socks (*home and away colors may change based on opposition etc).

Please make a note on the uniform order what away uniform short/sock color you are ordering for your team (manager makes the decision after speaking with the parents/players/coach).

Payment Options
